

BIG PERFORMANCE FOR MID-SIZED OUTBOARDS

Big
TILLER

MERCURY® BIG TILLER for 40 - 60 HP MERCURY OUTBOARDS

- Center-mounted tiller offers optimum control
- Two-position lock for trailering and operating positions, keeping the tiller arm in place
- Engine stop lanyard switch positioned to not interfere with tiller operation
- Throttle and steering friction allows fine-tuning the tiller for comfort and safety
- Convenient power trim switch allows easy access
- Longer tiller grip with 110° rotation, for just the right range of motion
- Up-front shift lever permits smooth shifting for convenience and comfort

LED light and RPM adjuster available as options
